

Gidget

Hi!

I'm Gidget!! I want to tell you about my amazing new home! I have an awesome new Dad who takes me on all these new adventures. He takes me on rides everywhere he goes and on hikes where I find all these new smells. At my foster home I got to play all the time and I guess he must have heard I loved ball because we play quite often. I'm still a little unsure about meeting new dogs, but Dad has been working with me and he says I'm getting better.

I have two new awesome uncles, too. They love to take me on walks and to the dog park when Dad isn't around. I also now have a best friend who can be a little too much energetic at times, but he's young and I'm teaching him the ropes. I don't think he understands how ball works, but he's starting to get the idea.

I have to say my favorite part of the day is when my Dad comes

home from work. I like to do this little dance where it's like I'm standing on hot lava and I can't keep my feet on the ground. I like being here so I'm always on my best behavior. Thanks Tori and Beth for introducing me to my Dad and giving me a permanent new home! I now have to go snuggle next to Dad during my afternoon nap. Keep in touch!

Love Gidget
