

Phil

This is Phil! As you see he's adorable & doing well with Rowdy (cat). He's deaf but all other senses are great; so he really enjoys seeing the elk, deer & fox that come up to the fence. His favorite activity, besides ripping apart toys, is his daily walk around the rodeo arena area by our house in Evergreen. There are 4 horses grazing there & he's interested in them, but can't quite figure them out.

Phil is so sweet, loves to cuddle & watch TV especially when there is an animal on. His favorite is barking at the hockey games! All the action really gets him wound up. I'm so grateful to have Phil in my life & to give my love to after losing Paddington, my 5th Dal Rescue pup. Phil is my 11th Dal, just such a wonderful & silly Dal! I'm so happy to give him his forever home full of love. Everyone who meets him is charmed by his great personality & sweetness. Thanks to Dal Rescue & foster Dad Andy Lewis for bringing us together! Phil is a joy!!!
