

# **Indie (Aka Dottie9)**

Indie is my new best friend!! We do everything together and I couldn't be happier. After deciding I was ready to have my own dog, I didn't know where to start. Beth and The Dalmatian Rescue were a phenomenal help in matching me with the perfect pooch, making the adoption fee a better value than merely picking out a dog from a litter or pound. Their care and experience with these dogs makes for a trustworthy experience. I know where I'll seek out my second dog! Thanks!!

Thanks!!
