

Tessa

(aka Pinky)

Our family was feeling incomplete after the loss of our old girl, Cassi, this summer. We are excited to share about our new addition. Her name is Tessa, formerly Pinky. She is very sweet and a perfect playmate for our other dog, Toka. Tessa and Toka have developed a close bond. They are cute together with both having a black spot on the left side of their faces. Tessa is still in training mode, but she is learning. We love her quirks, her expressive tail and her gentle spirit. A special Thank You to Dalmatian Rescue for our third adoption. From left to right, Toka, Cindy and Tessa!
