

We moved back to Colorado in 2008 from living on an island called Roatan, Honduras in the Western Caribbean. Having moved there in 1991 with one Dalmatian and then getting another one in 1994 and getting married and having kids, we had both our Dalmatians grow to be 15 years old. When we moved back, our last living one was too old to move and she lived in our house there with a friend until she passed away. The last four years we had no dog but we did have a 4-year old daughter, 10-year old son, 12-year old daughter and a 12-year old niece in the house, but no dog. So having the great fondness for Dalmatians I decided to apply to Dalmatian Rescue of Colorado. Within a few days we had a response and we ended up with a most wonderful and dear Dalmatian named Jack who was from Texas. We have now had Jack for two nights and he is the most sweetest and mellow Dalmatian every. We love him and he has fit in most perfect with all of the family. A good example of this is the picture of Jack and the kids on his first night (above). Thank you all at Dalmatian Rescue of Colorado.
