

Lotus

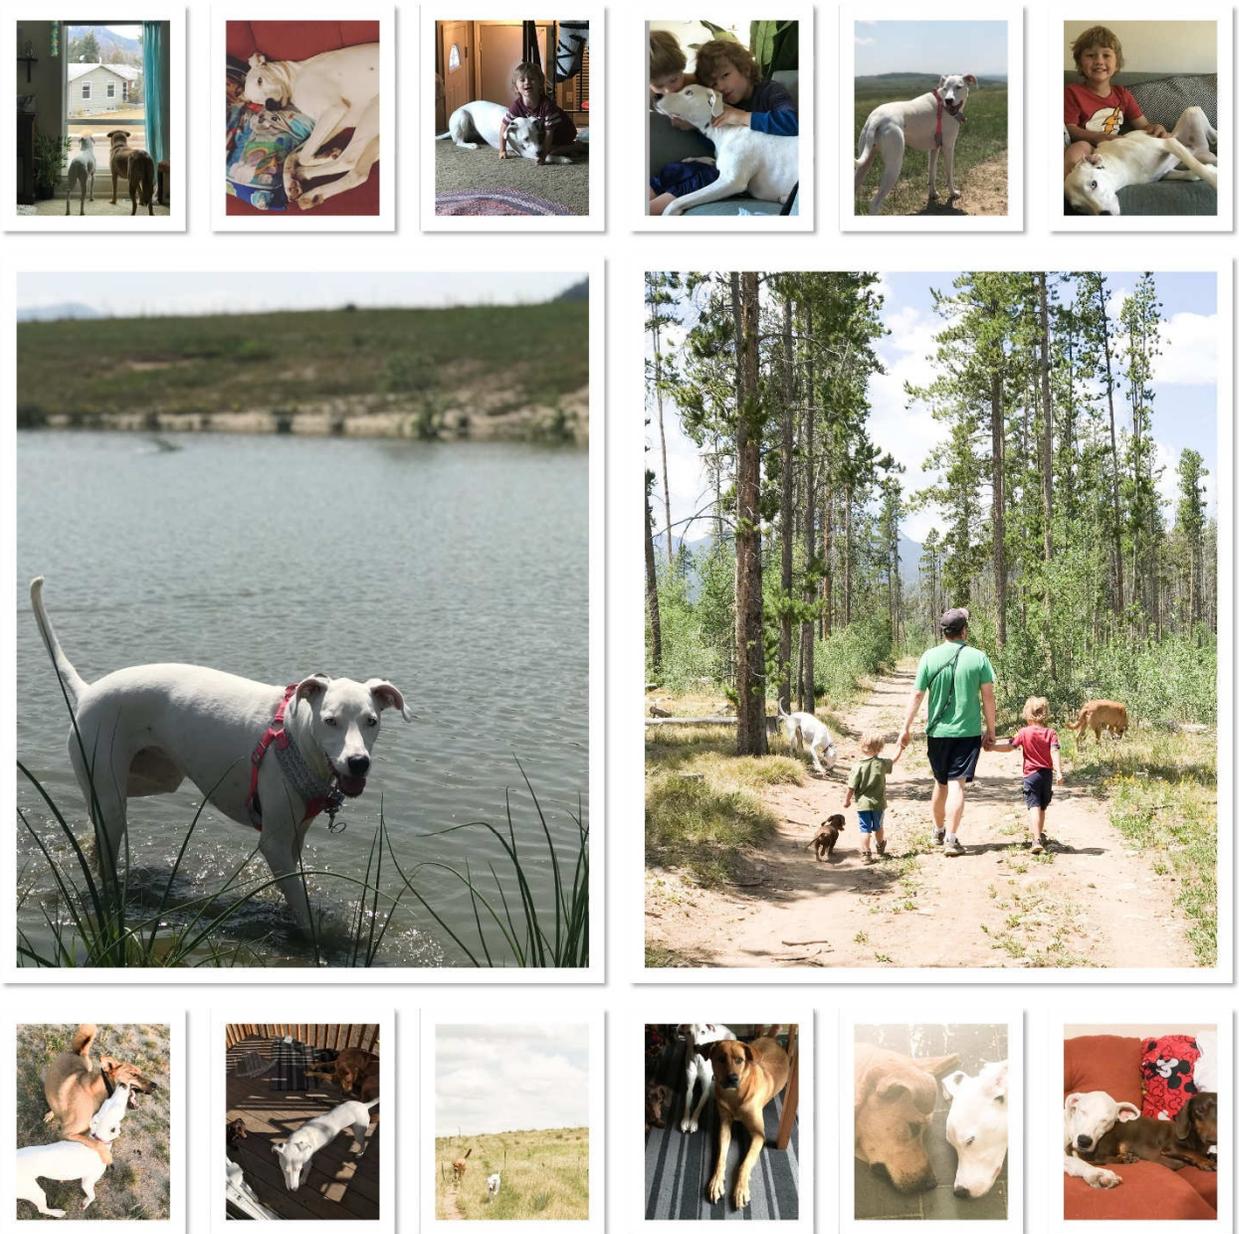

This is sweet Lotus we welcomed to our family in 2018 ♡ She is a 3-year-old Dalmatian that missed most her spots but has the most gorgeous blue eyes and the sweetest heart!!!

Lotus has adapted fast to her new life with lots of outdoor activity, sibling love and kiddo snuggles. Dillon our Lab mix and her play for hours on stretch. Franklin our Doxie loves his new girlfriend too. They are the 3 musketeers in disguise 😊

The adoption process was super-fast and super easy thru Dalmatian Rescue of Colorado. Lotus has found her forever home with us and we are the lucky once being rescued by her sweet spirit and wonderful soul ♡
