

Daisy

(aka Kadence)

Hi!! We are super late to the game, but I wanted to finally submit Daisy's happy beginnings!!! Daisy's name was originally Kadence, and we adopted her in March 2016. She is such a joy and a light in my life!!! It just marked three years since we got her on March 20th. Miss Daisy loves to romp around in the backyard, squirrel watch, and take long naps on the furniture when no one is looking ;) She is currently going through another round of reactivity training, as she does not handle seeing other dogs very well. She's a super smart girl and progresses more and more each day!!! She has lived a very happy life with us and it's safe to say that she is my best friend. She has really changed me for the better and I hope I've done the same for her :-) Daisy will be moving to Austin, Texas with me in the fall, and we are so excited about all the new opportunities (and smells) coming!!!!

Don't I make a great little pumpkin?

I love to play in this cold, white stuff!

My favorite resting place.
