

# Duke

**This is the story about Duke. He is a wonderful, loving, caring Dalmatian that stole my heart the minute that I met him in 2014. I couldn't wait to pick him up at a truck stop in Nebraska City, NE. As soon as I saw him I knew he was mine. He rode so well in the back of the Tahoe like it was old hat; went potty at the truck stop like he knew what he was doing. Once we got home, he blended so well with the other dogs. It was touch and go as far as territory, but we have worked through that. He loves riding every day in the car to school and after school to the dog park. He can't get enough of chasing the squirrels. He has a great life and we love him so much!**
