

Jerry

(aka General)

General Moved To Nebraska!

Thanks to Dalmatian Rescue of Colorado and Beth White, we recently found our wonderful boy Dalmatian, "General" that had lived in Alabama. He is four to five years old and we've named him "JERRY". He has certainly settled in very nicely this past month with our eight year old female Schipperke-mix, "Siss-e".

Jerry used to live in a small outside area for about four years or so and has heartworms. He is currently being treated for heartworms and we're hopeful he will be heartworm negative very soon. Jerry will never live in a small confined area ever again - he loves having full run of our house and fenced backyard. He really enjoys the long walks we take together through our neighborhood. While we go walking, everyone stops to say hello to Jerry and since he has a blue eye and a brown eye, this strikes up lots of fun conversations.

Jerry loves to hang out every day with Siss-e and my hubby, Jim, who is retired.

They sleep and play together all day long while I'm at work. Jerry seems very happy and content and we totally adore him. It will be quite interesting to see how he reacts to his first winter/snow in Nebraska.

Sincerely,
