

Abby & Margaret

Thank you thank you thank Dalmatian Rescue of CO for allowing me to adopt these two beauties. And a big thank you to all the Transporters who got them to Billings, Montana. This bonded pair were found as strays around the Fort Worth, TX area. Now they live in Eureka, MT on three fenced acres. I am very much in love with them both and my life makes sense again.

– Terre G.

They do everything together!

Exploring our new homestead!

Is it time for dinner?

Abby and Margaret playing in the yard.

Ready for my close up!

Finally, I have the couch to myself!! 😊
