

Odie

A Happy Tail-

Odie our sweet boy joined our polkadotpack on June 30, 2016 making it all the way to Western, MA from Texas. Our story began when Jon & I were coincidentally and unknowingly looking at him on the Dalmatian Rescue of Colorado page. We had completely fallen in love with his super sweet photos and spot on description of him. Reaching out to Beth and Tena from the rescue on a holiday weekend we were over the moon excited to hear back and be approved. Jon and I are extremely knowledgeable when it comes to the breed and knowing our pack we knew Odie would be the perfect fit. Odie is a shy but was in love with us at first site. He loves his brothers and sister. Odie is in for a lifetime of love, adventures and endless spoiling.
