

Maddie Mo

In early 2019, we lost our beloved Black Lab, Sadie, to old age. After several months, we decided we were ready and started our adoption search. As there were no Dalmatians for adoption in our immediate area, our family and our references were interviewed and we tripped to Ft. Collins to meet Beth, the president of the CO chapter and her dogs, and to Greely to visit Barb's dogs and to meet Maddie, who originally came to the rescue in TX with her brother. Maddie had been adopted out twice before and returned thru no fault of her own. We fell in love and she's been with us since November 2019 (that is my son in the pics with her). Thank you for the great work you guys do for the fur babies!
