

Cooper

I have had Cooper for about a year now. And I wanted to thank you so much for matching Cooper with our family. I honestly think he is the best dog I've ever owned in my entire life. He's amazing with the kids, the cats and Him and Nikko are best friends. And he loves everyone he encounters. He now walks off leash. He even walks the kids to the bus stops in the morning. I just wanted to say thank you. He really is a blessing.

Sincerely,

Chillin' with my homies! But I wish they'd let me on the couch with them...

Getting the kids to the school bus safely!
