

Max

(aka Tivoli)

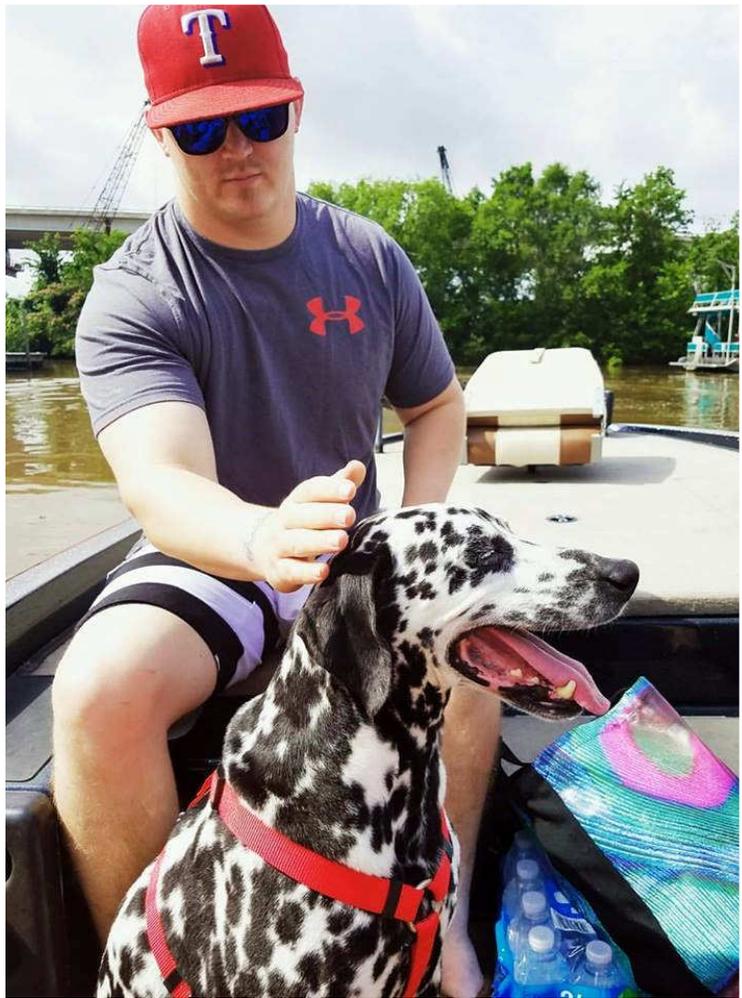

We adopted six-year-old Tivoli, now named Max, on 5/27/17. My husband and I drove to Houston on a Saturday with our four-year-old male Husky, we were quite anxious for our meet and greet with Tivoli! Our husky Ryzo took to him instantly as well as we did! Knowing that he was neglected prior to being fostered, breaks my heart for him! He is the sweetest soul anyone could ever ask for in a pup! He now shares a home with his husky brother Ryzo, his cat brother Roo, and a one year old tiny human sister who adores him! He is now living the life he was meant to have! He loves sleeping in the bed with us, lounging around on the couch all day, squeaky balls, bones and getting all the love and affection he can soak up! We love having him in our family! Thank you to the DRC for everything!
